Become Farm Angels 'Rainmakers'

Hosted by experienced and professional facilitators, Farm Angels 'Rainmakers' is a fun, fast-paced and highly interactive session, filled with activities that promote greater teamwork, with prizes to be won.

Your colleagues will get a unique insight into this amazing charity and the opportunity to self-reflect and draw parallels from how Farm Angels operate with their own team and work environments by: exploring the unique nuances of Aussie country culture; understanding the scope of challenges and natural disasters Aussie farmers face and the impact this has on their mental health; appreciating how much we rely on them for our way of living and using these insights to brainstorm practical ways to work better as a team.

How will Farm Angels benefit?

As we're in partnership with Farm Angels, they receive 50% of the net profit from every session, which translates to at least \$500 plus GST for every event. So, in addition to creating food hampers in the session, your people are also making a financial difference to Farm Angels helping them support our Aussie farmers.

The results?

- Learn from country culture and values and embrace them in your workplace.
- Increased awareness of mental health issues and how to support others/your team.
- Create food hampers with your team for struggling farming families.
- Tangible actions that can be implemented into your workplace.

How many people?

In-person groups of 10 – 100+
Online groups of 10 – 30

How long is the event?

3 hours in-person or 2 hours
online of interactive activities
and team challenges

How will we make a difference?

By assembling desperately
needed care packs for those in
need in the farming community
and discovering ways to increase
your own social impact

What does it cost?

Costs will be quoted on
confirmation of your needs and
numbers
