Become Share the Dignity 'Defenders of Dignity'

Hosted by experienced and professional facilitators, Share the Dignity 'Defenders of Dignity' is a fun, fast-paced and highly interactive session, filled with activities that promote greater teamwork, with prizes to be won.

Your colleagues will get a unique insight into this amazing charity and the opportunity to self-reflect and draw parallels from how Share the Dignity operate with their own team and work environment by: increasing awareness of the issue of Period Poverty; deepening team connections through better understanding of others, empathy and vulnerability; creating 'Dignity Bags' for women in need and using these insights to brainstorm practical ways to work better as a team.

How will Share the Dignity benefit?

As we're in partnership with Share the Dignity, they receive 50% of the net profit from every session, which translates to at least \$500 plus GST for every event. So, your people are also making a financial difference to Share the Dignity and helping to transform people's lives. In addition, we create 'Dignity Bags' which go out to women who are experiencing homelessness, fleeing domestic violence, or doing it tough.
