

Become WCS 'Allies in Action'

Hosted by experienced and professional facilitators, WCS 'Allies in Action' is a fun, fast-paced and highly interactive session, filled with activities that promote greater teamwork, with prizes to be won.

Your colleagues will get a unique insight into this amazing charity and the opportunity to self-reflect and draw parallels from how WCS operates with their own team and work environments by: exploring the world of homelessness, domestic and family violence; the knock-on effects and the challenge of rebuilding self-esteem and achieving control and fulfilment of your life; appreciating the power of collaborative problem solving; and using these insights to brainstorm practical ways to work better as a team.

How will Women's Community Shelters benefit?

As we're in partnership with WCS, they receive 50% of the net profit from each of their sessions, which translates to at least \$500 plus GST for every event. So, in addition to creating Shelter 'Just for You' packs for homeless women and their children in the session, your people are also making a financial difference to WCS, helping them support women and children in their shelter network across NSW.

The results?

- Increased awareness about the causes and implications of homelessness, domestic and family violence and how to support others/your team.
- Learn from WCS' unique "collaborative problem solving" approach and values and embrace them in your workplace.
- Create Shelter 'Just for You' packs with your team for homeless women and children.
- Tangible actions that can be implemented into your workplace.

How many people?

In-person groups of 10 – 100+
Online groups of 10 – 30

How long is the event?

3 hours in-person or 2 hours online of interactive activities and team challenges

How will we make a difference?

By assembling special Shelter 'Just for You' packs for homeless women and their children and discovering ways to increase your own social impact

What does it cost?

Costs will be quoted on confirmation of your needs and numbers

Is your team up for the challenge?
