Become Raise 'Mighty Mentors'

Hosted by experienced and professional facilitators, Raise 'Mighty Mentors' is a fun, fast-paced and highly interactive session, filled with activities that promote greater teamwork, with prizes to be won.

Your colleagues will get a unique insight into this amazing charity and the opportunity to self-reflect and draw parallels from how Raise operates with their own team and work environments by: exploring the world of youth today, the challenges that young Australians face and how many are struggling; learning the value and impact of mentoring; and using these insights to identify practical ways to work better as a team.

How will Raise benefit?

As we're in partnership with Raise, they receive 50% of the net profit from each of their sessions, which translates to at least \$500 plus GST for every session. So, in addition to creating 'Youth Engagement' packs for at-risk high school students and their mentors in the session, your people are also making a financial difference to Raise, helping them support young Australians doing it tough.

The results?

- Increased awareness about the challenges that young Australians are facing and how to support others/your team.
- Learn from Raise's unique mentoring approach and values and embrace them in your workplace.
- Create 'Youth Engagement' packs with your team for young Australians and their mentors.
- Tangible actions that can be implemented into your workplace.
