

Become Te-Kworo Foundation 'Community Builders'

Hosted by experienced and professional facilitators, Te-Kworo Foundation 'Community Builders' is a fun, fast-paced and highly interactive session, filled with activities that promote greater teamwork, with prizes to be won.

Your colleagues will get a unique insight into this amazing charity and the opportunity to self-reflect and draw parallels from how Te-Kworo Foundation operate with their own team and work environments by: understanding the harsh realities facing young women and their children in Northern Uganda; appreciating the differences between their world and ours; seeing first-hand the transformational power that education and support can make in the lives of the young women they support and using these insights to brainstorm practical ways to work better as a team.

How will Te-Kworo Foundation benefit?

As we're in partnership with Te-Kworo Foundation, they receive 50% of the net profit from every session, which translates to at least \$500 plus GST for every event. So, your people are also making a financial difference to the Te-Kworo Foundation and helping secure a better future for African girls. In addition, each team will pick a \$100 sponsorship package to gift to a Te-Kworo student to assist them with their education and future.

The results?

- Strengthened teams with greater engagement with their colleagues.
- Greater appreciation for what we have in our world and workplace when compared to the struggles of others less fortunate than ourselves.
- Gift a \$100 sponsorship package for one of these Te-Kworo students to help them further their education or learn a trade.
- Tangible actions that can be implemented into your workplace.
