Become Beddown 'Dream Builders'

Hosted by experienced and professional facilitators, Beddown 'Dream Builders' is a fun, fast-paced and highly interactive session, filled with activities that promote greater teamwork, with prizes to be won.

Your colleagues will get a unique insight into this amazing charity and the opportunity to self-reflect and draw parallels from how Beddown operate with their own team and work environments by: exploring the world of homelessness, the knock-on effects and how easily it can happen to anyone; appreciating the important connection between sleep and quality of life; and using these insights to brainstorm practical ways to work better as a team.

How will Beddown benefit?

As we're in partnership with Beddown, which are part of the charity inCommunity Inc, they receive 50% of the net profit from each of their sessions, which translates to at least \$500 plus GST for every event. So, in addition to creating care packs for their clients in the session, your people are also making a financial difference to Beddown, helping them support people living rough and experiencing homelessness.

- Increased awareness about the causes and implications of homelessness and how to support others/your team.
- Learn from Beddown's unique person-centric approach and values and embrace them in your workplace.

- Tangible actions that can be implemented into your workplace.
